Dear Members:

October is one of my favorite months. Haunted Houses, Scary Stories, Trick or Treaters and this Months featured seasonal adventure Stu Miller's Pumpkin Patch located in Lancaster on 10th Street West across from Costco. The cost is \$6.50 per child and the event will start October 10th and will run through the 31st. Lavern Smith is the contact person if you should require any further information. You can call her at 360-247-6078 & if you want to book your tour call 360-607-5662. The price will include the following:

- a) Storybook time
- b) Bounce House
- c) Slide
- d) Swings
- e) Petting Zoo (Food optional \$.25 extra)

Each child will also receive a small pumpkin (fits in the child's hands included in price). If parents want a larger pumpkin they can add extra money. This makes a great field trip, its local and the kids have lots of fun, we even include the parents!!!!!!! Don't forget the camera's!! Say cheese!! HAPPY HALLOWEEN EVERYBODY!!!!!!!

P.S. Recently I had to live-scan 2 employees East Palmdale School District did not return 2 phone calls and West Palmdale was backed up until October 18, 2007. I asked if they would have any cancellations and they said unfortunately people don't call in to cancel they just don't show up by then its to late. I found the perfect live scan facility right in Lancaster you don't even need to make an appointment. The name is American Post & Parcel located at 43759 15th street West Lancaster, CA 93534 the cost is \$61 and Carol, Carol or Nancy will be happy to help you it is a few dollars more expensive but you do not have to wait or make an appointment and the service is great, efficient and friendly. Write this number down you will need someday.
